

## RULES AND DETAILS OF MEMBERSHIP

### GENERAL INFORMATION

Wolfson College has a strong egalitarian tradition and a single Common Room organisation. This provides minimum distinction between members, all of whom make use of the same facilities.

Though distinct from Members of College, Members of Common Room (MCR) enjoy many of the privileges enjoyed by Fellows, including dining rights in Hall (for which the charges are moderate), use of the library and room hire at discounted rates. MCR are also invited to join many of the College's clubs and societies (some additional charges may apply), enjoy use of College facilities, attend the General Meeting and attend Guest Night Dinners subject to availability. The College makes a modest charge to all Common Room members.

The Fellowships and Membership Committee (FMC) meets twice each term (in weeks 0 and 5) and will consider applications to join the Common Room. In some cases, students who near the completion of their course may wish to apply for Common Room membership at a time when FMC is not due to meet. In such cases, the Common Room Administrator may be able to grant provisional and temporary membership of Common Room until an application can be considered at FMC.

### **ELECTION TO MEMBERSHIP**

Before granting membership, the Fellowships and Membership Committee will consider the size and overall composition of the Common Room, and ensure that any further elections will not adversely affect the College's obligation to make satisfactory provision for its Students, Fellows and Staff. Regrettably, it will therefore not always be possible to grant membership of Common Room.

### **APPLICATION PROCESS**

Information on how to apply and current membership charges can be found on the College's website at [www.wolfson.ox.ac.uk/membership-charges](http://www.wolfson.ox.ac.uk/membership-charges)

VAT), payable on or before 30 November 2020. For membership which commences in Hilary term or Trinity term a pro rata charge will apply.

Additionally, MCR are invited to make a voluntary annual contribution to our Student Support Fund. All funds will be used to support current students of Wolfson College in the form of hardship support, travel grants or scholarships. For donations from UK tax payers the College may also be able to claim Gift Aid in addition to the donation.

All members with a UK bank account should complete the direct debit form below.

Those living overseas, and without a UK bank account, should arrange for the subscription to be paid by bank transfer to the following Wolfson account:

### **Sending a payment from OVERSEAS to the Battels Account**

**Bank Name:** Barclays Bank PLC Churchill Place London

**Name of Account:** Wolfson College Battels Account

**IBAN:** GB63BARC20651860923974

**SWIFTBIC:** BARCGB22

Please instruct your bank to use your college number or name as a reference for the payment (e.g. GS/CR 12345). This will help us to identify the payment and apply it to the correct account. Money transferred from an overseas bank incurs an £8.00 bank charge. To cover this charge please add £8.00 to the amount you wish to pay.

## **WITHDRAWAL OF MEMBERSHIP**

Membership of Common Room will be reviewed annually and renewed subject to eligibility requirements which include remaining in good standing with the College and ensuring that all membership charges/battels are paid on or before the due date. Membership of Common Room may be withdrawn at any time if the conduct of a member is injurious to the reputation of the College or the interests of the members of College or Common Room. The rules governing disciplinary procedures for Members of Common Room can be found in the College regulations which are available on the College website. The College reserves its right to reduce the numbers of members of CR at any time and for any reason through the suspension of automatic renewal. The College reserves its right to cancel an individual's membership at any time and for any reason.

## **ADDITIONAL INFORMATION**

Membership of the Wolfson College Common Room is not, in itself, a formal academic affiliation to Wolfson College or the University of Oxford. Membership of the Common Room is distinct from Membership of College. As such MCR and Associate MCR may not make reference to their membership or use the name, crest or branding of Wolfson College in external publications or on other media/social media (including websites) without the express permission of Wolfson College. Queries should be directed to the Common Room Administrator in the first instance. Members of Common Room who are found to be in breach of these rules may have their membership terminated with immediate effect.

We regret that the College IT Office is not able to provide Common Room members with individual IT support, or support with personal equipment or devices. Only Students, Fellows and Staff will be entitled to a college email address. A valid member card is necessary to access certain facilities including meals in Hall and the Library. The College regrets it is unable to offer any financial support to Members of Common Room. Student Alumni MCR, Fellow Alumni MCR, Staff Alumni MCR, Ordinary MCR, and Associate MCR may apply for a 'cardholder' card for use at Wolfson College.

The rules for applying for Common Room membership do not apply to those who are currently Members of the College (i.e. Graduate Students or any category of current Fellow of Wolfson College) since they are automatically Members of the Common Room. The rules may be amended by the Governing Body at any time. Elections are within a balanced quota to be decided by the FMC: all those who apply will not necessarily be elected. There will be no refund or part refunds of subscriptions for cancellation of membership.
