

**Welfare and
Wellbeing at Wolfson**

Welcome to the welfare and wellbeing induction!

This presentation will cover:

- Support services within the University
- Local medical services
- The Welfare Team at Wolfson

We will also cover **useful advice and guidance** as you settle into Oxford and Wolfson, and we will make sure you know **where to go for help**.

University Services

- ▶ [Counselling Service](#) - free, remote counselling (one-to-one and group therapies) to all Oxford students
- ▶ [Disability Advisory Service](#) - supports students who have registered a disability
- ▶ [Sexual Violence & Harassment Support Service](#) - supports students who have experienced sexual violence regardless of when or where it occurred
- ▶ [Harassment Support Service](#) - supports those experiencing bullying and harassment

See even more services at [https://www.ox.ac.uk/students/welfare/!](https://www.ox.ac.uk/students/welfare/)

University Counselling Service

Support (all free of charge!) includes:

- Short-term, targeted 1-1 sessions
- Group counselling
- Workshops
- Self-directed help such as podcasts and reading

Disability Advisory Service (DAS)

Provides support for students with:

- **Mental health disabilities** (ongoing clinical mood and anxiety disorders)
- **Social or communication difficulties** (e.g. autism spectrum conditions)
- **Sensory or mobility impairments** (e.g. vision or hearing impairments)
- **Long-term illness or physical health conditions** (e.g. diabetes, multiple sclerosis)
- **Specific learning difficulties, known as SpLDs** (e.g. dyslexia, dyspraxia, or ADHD)

The DAS can provide lots of support, but it's important to access this as soon as possible!

See <https://www.ox.ac.uk/students/welfare/disability> or email the Academic Registrar for more information.

College Nurse: Kerry Minton

For advice, appointments, and guidance, email
kerry.minton@Wolfson.ox.ac.uk

Kerry is our wonderful College Nurse. She has a consulting room onsite but due to the pandemic is offering remote consultations in the first instance. Please feel free to contact her about any health concerns you may have!

What does a College Nurse do?

- Helps you to look after your **healthcare needs**
- **Physical health** - sports injuries; sexual health; minor injuries and illness
- **Triage** - Refer onto GP when necessary; send to A&E (ED); other services
- **Mental health** - initial help, referral onto counselling services, disability service, GP
- Liaise with Academic Office to help with **medical notes for illness**
- Help you to navigate the **NHS!**

What is the **NHS** ?

The **NHS** stands for the **National Health Service**. It refers to the Government-funded medical and health care services that everyone resident in the UK can use without being asked to pay the full cost of the service.

New to the UK?

If you are new to the UK, we strongly suggest that you familiarise yourself with the information listed the UKCISA page [here](#).

Banbury Road Medical Centre

All Oxford colleges are linked with one of the doctors' surgeries/GP practices in central Oxford.

The **Banbury Road Medical Centre** is the link GP practice for Wolfson. It is approximately 10 minutes' walk from College.

www.banburyroadmc.nhs.uk

Banbury Road Medical Centre

The NHS (National Health Service) funds this GP practice, which means that most medical treatments will be free or heavily subsidised for those resident in the UK.

Why register with our college-linked GP surgery?

- If you need **medical documentation** for any academic-related reason, such as exam adjustments or extension requests, it is often faster (and free!) for you to obtain it from the college doctors than an external surgery.
- Our college nurse is linked to the college doctors so can liaise with them on your behalf, which can make it **easier to get appointments** and resolve medical matters.

*We strongly suggest that unless you have a particular reason to stay registered with your current UK GP, you register with the Banbury Road Medical Centre.
Trust us, it might well make your life a lot easier!*

Registration with the practice

If you wish to register click on the link below to open the form. When you have completed all of the details, click on the "Send" button to mail your form to us. When you visit the surgery for the first time you will be asked to sign the form to confirm that the details are correct.

[Registration Form](#)

When you register you will also be asked to fill out a medical questionnaire. This is because it can take a considerable time for us to receive your medical records. There is an online version of this file too, which you may fill out and send to us. When you come to the surgery you will be asked to sign this form to confirm that the details are correct.

[Online medical questionnaire for new patients](#)

Please note - if you are registering as a new patient with us within the NHS you will need to provide photographic identification and proof of address to the practice where appropriate. Please bring this into the surgery.

Please do not send over registrations forms to us if you are not residing at that address.

- ▶ General Practitioner (GP) = family doctor, physician
- ▶ Doctor's or GP surgery = doctor's office

Covid-19 Reminders

Regular symptomless testing: free LFD test kits can be collected from the Lodge or you can [order them via the NHS](#); everyone is encouraged to take them twice weekly

Testing for those with symptoms: for anyone living in Oxford, the [University's Early Alert Service \(EAS\)](#) offers free PCR tests to anyone who has covid-like symptoms or who has been identified as a close contact of a positive case

Close contacts of a positive case are required to get a PCR test; those not vaccinated in the UK must also self-isolate for 10 days

Free covid vaccines available through Sunday 10 October at the University Club on Mansfield Road! No appointments required.

Questions? Concerns? Email coronavirus.help@wolfson.ox.ac.uk or check <https://www.ox.ac.uk/coronavirus/health/>

Things to remember...

The 8-8-8 rule: aim for 8 hours of sleep (yes!), 8 hours of work, and 8 hours for everything else

Treat your work as a full-time job - Aim to work 40 hours per week with time to rest and recover

Eat your five-a-day of fruit and veg, plus wholegrains, pulses, and proteins

Tackle concerns early, whether academic, medical, financial, or anything else

Spend time with friends

Do not suffer in silence - please get in touch if you think you might need help!

Spend time in nature - try the University Parks, Port Meadow, Magdalen Deer Park, or Christ Church Meadows!

Imposter Syndrome

(Trust us, everyone gets it - us included!)

Trust the academics who assessed your application - you have every right to be here and you know more than you think you do! If self-doubt starts to eat at you, talk to your supervisor or get in touch with the Counselling Service.

And one more time...

Look after yourself and do not suffer in silence!

Everybody has problems at some point and
we are here to help. 😊

Best wishes for a
great year!
