

Dr Liu Chak Wan Scholarships

The Dr Liu Chak Wan Scholarships are made possible by the generosity of Dr Liu, Chancellor of the Macau University of Science & Technology and distinguished businessman and philanthropist who is deeply committed to the cause of education.

Degree type and subject

The Dr Liu Chak Wan Scholarships are available for applicants who are applying to undertake any qualifying 9 or 12-month Master's degree* offered by Wolfson College and the University of Oxford.

Value of award

Course fees and a grant for living costs for full-time students of £17,325 per year (students on part-time courses will receive a study support grant instead). Awards are made for the full duration of fee liability.

Eligibility criteria

Applicants from all countries will be considered. Applicants must be graduates of the Macau University of Science & Technology.

How to apply

All applicants should apply to the University of Oxford under the standard procedures for graduate degrees for 2023-24 but must apply by the January deadline for their eligible programme of study. Preference will be given to candidates who have selected Wolfson College as their first-choice college on their application form. The Scholar will become a member of Wolfson College for the duration of their studies.
