#### **ACADEMIC CONFERENCE AND SEMINAR ACCOUNT**

This account has been established to support Workshops, Conferences, Colloquia, Lectures and Seminars organised by Fellows of the College, and held for the most part at Wolfson.

In cases where the exact number of delegates is known, the Governing Body has agreed an amount based on £20 per day, per delegate, up to a maximum of £1000 per application. Open meetings and lectures where numbers of attendees are unknown may also receive support up to a maximum of £1000 per application. All applications will be approved subject to budget, and it is expected that external funding will also be sought. Funds may be spent as required by the convener, e.g. for catering, guest rooms, travel expenses, etc.

**Applications should be made in writing to the College Secretary.** To qualify for the £20 per day per delegate rate, a list of participants should be provided. It is the responsibility of the convener to confirm the availability of rooms through the Events Office, who should be asked to send any invoices to the College Secretary ([college.secretary@wolfson.ox.ac.uk](mailto:college.secretary@wolfson.ox.ac.uk)) for approval against the Academic Conference and Seminar Account once the level of allocation has been confirmed.
