2. GRANTS

ACADEMIC CONFERENCE AND SEMINAR ACCOUNT

This account has been established to support Workshops, Conferences, Colloquia, Lectures and Seminars organised by Fellows of the College, and held for the most part at Wolfson.

In cases where the exact number of delegates is known, the Governing Body has agreed an amount based on £20 per day, per delegate, up to a maximum of £1000 per application. Open meetings and lectures where numbers of attendees are unknown may also receive support up to a maximum of £1000 per application. All applications will be approved subject to budget, and it is expected that external funding will also be sought. Funds may be spent as required by the convener, e.g. for catering, guest rooms, travel expenses, etc.

Applications should be made in writing to the College Secretary. To qualify for the £10 per day per delegate rate, a list of participants should be provided. It is the responsibility of the convener to confirm the availability of rooms through the Events Office, who should be asked to send any invoices to the College Secretary (college.secretary@wolfson.ox.ac.uk) for approval against the Academic Conference and Seminar Account once the level of allocation has been confirmed. Please note that once all funding has been allocated, no further funding can be granted from the Academic Conference and Seminar Account. Please follow the link:-

3. DINNERS

FELLOWS WELCOME DINNER (MICHAELMAS TERM) , RETIREMENT DINNER (HILARY TERM) AND FOUNDATION DINNER (TRINITY TERM)

All Fellows (as well as Visiting Scholars and Elected GPC and GB members) are invited, as College guests, to the termly Governing Body Dinners and to the Foundation Dinner in June.

SUPERNUMERARY (A) FELLOWS

It is a condition of being a Supernumerary Fellow (A) that you are willing to be a College Advisor for 4-10 graduate students and it is hoped that Fellows will participate in the activities of the College. Fellows may sit on most College Committees (excluding the Fellowships and Membership Committee) and may stand for election as one of the six elected members of the Governing Body. In Hilary Term, Fellows will receive a Committee Membership form from the College Secretary on which they can volunteer for Committee membership. Recommendations for Committee membership are made by the Nominating Committee and approved by the Governing Body.

Supernumerary (A) Fellowships are initially for 3 years. Renewal is not automatic and is based on both engagement during the association period and upon an ongoing need for College Advisors from within that division. At the point of renewal, Supernumerary Fellows will be asked for a short report on what has been achieved during their association with the College.
