2. GRANTS

ACADEMIC CONFERENCE AND SEMINAR ACCOUNT
This account has been established to support Workshops, Conferences, Colloquia, Lectures and Seminars organised by Fellows of the College, and held for the most part at Wolfson.

In cases where the exact number of delegates is known, the Governing Body has agreed an amount based on £10 per day, per delegate, up to a maximum of £600 per application. Open meetings and lectures where numbers of attendees are unknown may also receive support up to a maximum of £600 per application. All applications will be approved subject to budget, and it is expected that external funding will also be sought. Funds may be spent as required by the convener, e.g. for catering, guest rooms, travel expenses, etc.
Applications should be made in writing to the Senior Tutor via the College Secretary for approval by Academic Committee. To qualify for the £10 per day per delegate rate, a list of participants should be sent to the College Secretary. It is the responsibility of the convener to confirm the availability of rooms through the Events Office, who should be asked to send any invoices to the College Secretary (college.secretary@wolfson.ox.ac.uk) for approval against the Academic Conference and Seminar Account once the level of allocation has been confirmed. Please note that once all funding has been allocated, no further funding can be granted from the Academic Conference and Seminar Account. Please follow the link below:-
