

Wolfson College Digital Research Cluster

Joint Event sponsored by the Wolfson Digital Research Cluster, the Oxford e-Research Centre, and the Oxford Energy Network.

Energy and Digital Technologies: How does e-research help us to use energy technology better?

Tuesday 23 February, 5-7 pm, Haldane Room, **Wolfson College**

Chaired by Moritz Riede (Wolfson College IT Fellow)

- Brief introduction to the Oxford Energy Network (Freya Stanley-Price, OEN)
- 10-minute talks, each followed by 5 minutes' discussion.
 1. **Cybersecurity and energy** (David Wallom (OeRC))
 2. **Analytics of energy usage and its applications** (Ramon Granell and David Wallom (OeRC))
 3. **Energy efficient computing** (Wes Armour (OeRC))
- Round Table (30 minutes)

Digital technology and the College's energy policies

Introduced by Pieter Bogaert (Wolfson College Environment Representative)

- Informal discussion and drinks.
