WELCOME
TO
WOLFSOON COLLEGE LIBRARY
This presentation is in two parts:

- In the first part Fiona (Librarian), Julia (the Graduate trainee Librarian) will tell you about Oxford Libraries.
- In the second part we will take you on a tour of your library.
- We will take any questions at the end of the presentation.
There are many different types of Library in Oxford:

- You may use any of the Bodleian Libraries which include the major research and reference Libraries.

- And many of the smaller lending Bodleian Departmental and Faculty Libraries.

- but...Wolfson is your College Library!
Wolfson College Library is open to members of the College 24/7 and 365 days a year; enter by using your university card.

Library Staff are available at the following times:
- Fiona (Librarian) - (2)74076 - 0900-1700, except Thursdays
- Julia (Graduate Trainee Librarian) (2)11146 each week day (except Wednesday afternoons)

Email: library@wolfson.ox.ac.uk
We welcome your suggestions for books to purchase for the Library that are useful for your study.

https://www.wolfson.ox.ac.uk/library/book-suggestion
If you cannot find one of our books on the shelves use our Report a Missing Book Form

A member of staff will try to find it for you or locate an alternative copy for you to use

https://www.wolfson.ox.ac.uk/library/report-missing-book
A Library catalogue covering the majority of the Library collections of the University of Oxford, including the Bodleian Libraries, most College and other Libraries affiliated to the University.
Deposit of any D.Phil., M.Litt. and M.Sc. (by research) thesis into ORA is mandatory.

https://libguides.bodleian.ox.ac.uk/digitaltheses

ORA accepts an array of research publications, including but not limited to: journal articles; conference papers; working papers; theses; reports; book sections and posters.

ORA provides greater visibility for your work – we're heavily crawled by Google!

Please come to one of our information sessions.

ORA helpdesk – 01865 (2) 83809 ora@bodleian.ox.ac.uk
OPEN ACCESS
Knowing about research data management helps you...

- Stay organised
- Keep data safe and secure
- Plan for preservation and re-use of data
- Meet university and funder expectations
