1	Your dates of attendance, course of study and outcome of your studies, University examinations, and College and University assessments, awards, scholarships and prizes conferred. Records of your student status, including whether you are on the visiting student programme and whether you are a full-time or part-time student. Records of your name, gender/preferred title, official headshot/passport style photograph.	We generate this data about you; We obtain this data from the University of Oxford.	record of your academic progression and if we are later asked for a reference or verification of your attendance. So that we can administer and	Permanently.	Processing is necessary for performance of our contract with you;  Processing is necessary for the performance of a task carried out in the public interest;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College has a legitimate interest in processing this data so that it can deliver your course.  Where we keep information for the purposes of the College archive, the College has a legitimate interest in maintaining a record of who has attended, the results, awards, prizes and scholarships that were awarded, so that it may provide references and verify attendance and as part of its historic archives.	N/A		N/A	
2	Information about your health, dietary requirements and/or disabilities, and records of decisions we make taking that information into account.		When we consider what reasonable adjustments to make to our provision of accommodation, catering or academic provision or we need to take account of any dietary requirements you have (whether for medical or belief reasons), or where there is a medical emergency, and any decisions that we take as a result.	For 6 years after the end of the academic year you cease to be a registered student.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms;  Processing is necessary for compliance with a legal obligation	The College has a legitimate interest in taking such information into account when it makes decisions that may affect your health, wellbeing or ability to participate.  Processing is also necessary for compliance with equality law, and/or food safety law.	2018	Where the College processes special category data for these purposes, the processing is necessary for the prevention of a breach of its obligations under the Equality Act 2010 and/or under health and safety legislation. The processing is necessary for reasons of substantial public interest, namely that the College must comply with its statutory obligations concerning equality and to make reasonable adjustments, and to comply with its health and safety obligations.  The processing is also necessary for the exercise of a protective function.  In both cases, the processing must be carried out without consent so as not to prejudice those purposes.		
3	Information about your ethnicity, health, religion or philosophical beliefs and/or sexuality processed for the purposes of identifying or keeping under review the existence or absence of equality of opportunity or treatment, with a view to enabling such equality to be promoted or maintained.	We obtain this data from the University of Oxford We obtain this data from you	For equality monitoring purposes	EITHER For 6 years after the end of the academic year you cease to be a registered student.  OR IF RETAINED IN ARCHIVE:  Permanently.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College and its students have a legitimate interest in monitoring and promoting equality of opportunity.	Data Protection Act 2018	The processing is necessary for equality of opportunity or treatment purposes in accordance with the conditions and safeguards specified in the Data Protection Act 2018, with a view to promoting or maintaining such equality.		
4	Records of student performance and attendance, including records of student self-assessment.	We obtain this data from you We generate this data about you	To help develop and guide you during your studies, our academic staff monitor and assess your contributions in tutorials, classes, and/or supervision sessions, including your written work, provide feedback and may ask you to self-assess your progress.	Permanently	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College has a legitimate interest in keeping such records to help develop and guide students during their studies.			N/A

36	Student information that appears in marketing and outreach materials, such as photographs of students and quotations about their experience, records of any students that participate in outreach activity.  Research student records, including details of your supervisor, the supervision process, examiner, College advisor, thesis title, submission and viva details and outcomes, progress reports, records of meetings about your progress.	from you  We obtain this data	To promote the College to potential applicants.  In order to monitor your progress and make decisions about it.	Permanently.  Student information may be transferred to College archives for purposes in the public interest, or for historical research purposes as a record of College life.  Permanently.	You have given your consent to the processing for one or more specific purposes  Processing is necessary for performance of our contract with you.				
38	Records of consultations and any medical treatment or advice given by the College nurse.	We obtain this data from you We generate this data about you		For 3 years after the end of the academic year when you cease to be a registered student, or when you reach age 21, whichever is later.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College has a legitimate interest in making a College nurse available to provide basic medical advice and treatment to its students.	Processing is necessary for health purposes under the Data Protection Act 1988.		
39	Data listed in this table that we hold after the end of your contract with us, including data that we hold permenently for archiving and research purposes.		In order to provide references, and so that we have a record if required by a regulator, for archiving and research purposes and/or for the purposes of legal claims.	See periods listed elsewhere in this table.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College has a legitimate interest in being able to provide references to its students and former students, and in being able to provide information to regulators, and/or defend or make legal claims.  The College also has a legitimate interest in maintaining an archive of its activities as part of a long established university with a strong identity, history and research tradition, and in maintaining such records for future research.	for the establishment, exercise or defence of legal claims.  Processing is necessary for archiving in the public interest, and/or for historical research purposes.	for the establishment, exercise or defence of legal claims.  Processing is necessary for archiving in the public interest, and/or for historical research purposes.	There is a public interest in the College maintaining its archive of College life for future generations, and in the context of the College being a College of a long-established University with a strong identity and history.  The College is required to implement appropriate safeguards for individuals' rights and freedoms. The UK Data Protection Act provides safeguards by making specific provision preventing processing which is likely to cause substantial damage or substantial distress to a data subject; and/or which is carried out for the purposes of measures or decisions with respect to a particular data subject, unless the purposes for which the processing is necessary include the purposes of approved medical research.
40	References we provide.	We generate this data about you	Where we are asked to provide a reference for you.	Copies of references will be kept for six years from the date of provision of the reference. An entry noting that a reference was provided will be retained on your permanent record.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College, its students and the recipients of references have a legitimate interest in providing and receiving references.
